1 32HR PERMIT CLASS

The 32 hour permit class is required by state. Students must be at least 14 years 9 months old to take this course. Once student have completed their classroom portion or have passed the test, we will hand them their 1st part of the 964 certificate. Student must be at least 15 years old to receive their 964 certificate

2 DMV PERMIT APPT

Student must be at least 15 years old to get their permit from the DMV. Student must bring the following to the DMV:

- birth certificate
- SS card
- VOE & school ID
- 964 certificate (once they have either completed the class or permit test)
- parents/guardian + 2 bill statements within last 60 days with home address
- \$16

Once student has permit ID, they can start driving with adult supervision

3 14HR BEHIND THE WHEEL

Once student has their permit, it is recommended for parents will need to work with them on their 30 hour log that is required in Texas. We do recommend students getting some practice before taking this course. The behind the wheel class prepares the student for their driving road test.

- If you took the online 32hr course, you will need to transfer the behind the wheel course to the behind the wheel facility.

Once they pass this class, they will receive their 2nd half of their 964 certificate.

4 DRIVING ROAD TEST

Students are required to complete everything before their road test. Student must be at least 16 years old and have had their permits for a minimum of least 6 months (date is on the back of permit)

They will need to bring the following:

- 964 certificate (showing completion of 32hr classroom + 14hr behind the wheel)
- ITTD certificate
- 30 hour log (fully completed)
- VOE
- parent to sign documents for their test.

Once student pass test, everything will be sealed into an envelope. You are not able to drive on your own until you get your license from the DMV.

5 DMV LICENSE APPT

Schedule your final appointment to get your drivers license. Bring everything you brought to the DMV for the permit appointment, your permit and your sealed envelope from the driving road test, take a new picture and you will have an official DRIVERS LICENSE and able to drive on your own once you have insurance!
